TRADING POLICY

PAPERBACKS UNLIMITED

February 3rd, 2015

Welcome to our bookstore. If you have any questions regarding this policy, please ask and we will be happy to explain it. If you need any help finding a book, let us know, we love helping customers find what they are looking for.

PAPERBACKS UNLIMITED sells most books at <u>approximately</u> 1/2 of <u>original publishers price</u> plus tax. We do price in <u>$.50 increments</u> and minimum pricing is applied to individual genre. Please see the <u>Pricing Policy</u> for specific minimums and pricing conversions. Credit value for most books will be calculated at approximately 1/3 or 1/2 of the PAPERBACKS UNLIMITED price based on CONDITION and NEED. Books with virtually no value will be credited appropriately.

You may NOT trade EVEN! A minimum of <u>50% of purchase price plus tax</u> must be paid in <u>cash, credit card, or check.</u>

PAPERBACKS UNLIMITED deals primarily with paperback or audio books. We do accept only a SELECT FEW hardback books. We do not pay cash for books. Acceptable books may be TRADED for store credit. PAPERBACKS UNLIMITED reserves the right to reject any book. Please ask specifically that we return unusable books, otherwise they may be recycled.

Books must be in good condition, fairly current, clean, complete, undamaged, and unmarked. Books with a noticeable odor (tobacco smoke, musty, or pronounced perfumery scent) will not be accepted. Books will not be accepted from dealers (Flea Market, Yard Sale, Thrift Shop or Libraries).

Credit value will be calculated and a credit slip will be issued. This slip may be used completely or partially at any time.

Explanation of credit slips:

1. <u>No part</u> of any credit slip may be used for sales tax (The state will not accept it).
2. Credit may be applied to a MAXIMUM of <u>50% of purchase price</u> of any book. The remaining 50% + tax must be paid in cash, credit card, or check at time of use.

******Policy subject to change. Please see policy posted in store for current information.
